

When the Background Screening Credentialing Council has awarded accreditation to a company, that company may use the BSCC Accredited logo for marketing purposes, on its website and marketing materials. This logo may only be used on the website and materials for the entity that appeared on the BSAAP application.

No verbiage of any sort can ever be added to or associated with the logo, such as first, first-class, etc., nor may any scoring information ever be added to the logo.

This logo is an acknowledgement sign showing accreditation status. However, if a company loses accreditation for any reason, at any time, this logo must be removed immediately from everywhere that it appears.

When using the logo as a hyperlink on a website, the logo must not link to any page other than the home page of the [NAPBS website](#).

Additionally, the logo is not to be used as a primary insignia for any company or organization other than NAPBS.

NAPBS staff shall follow the Process for Misuse or False Claims of NAPBS Marks to notify the Ethics Advisory Group about known uses of the logo which fail to comply with these approved uses.

Should you have any questions on the use of the logo, please contact Angela Allen, Program Manager, by phone at 919.459.2082 or by Email at angela@napbs.com.
